

## STATE PRESCRIPTION MONITORING STATUTES & REGULATIONS CITATION LIST

The following citations reference those state statutes and regulations establishing prescription monitoring programs with emphasis on the maintenance of the database, identification of the agency which houses the program, information that the program gathers, who has access to the information once collected, and other related information. There are other state statutes and regulations related to the prescribing of controlled substances that are not cited here.

This project was supported by Grant No. G1299ONDCP03A, awarded by the Office of National Drug Control Policy. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the Office of National Drug Control Policy or the United States Government.
