

DATA COLLECTION INTERVAL

This project was supported by Grant No. G1299ONDCP03A, awarded by the Office of National Drug Control Policy. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the Office of National Drug Control Policy or the United States Government.

Data Collection Interval

¹ New York requires the submission of data in real time by statute, but that has been interpreted by regulation to mean no later than 24 hours after the substance is delivered. ² Ohio requires submission of data from pharmacies weekly and from wholesalers monthly. ³ Utah requires submission weekly, but for those participating in the statewide pilot program, submission is required daily. ⁴ Michigan is going to daily reporting in July 2014.
