Code of Alabama (2014)
Title 20. Food, Drugs, and Cosmetics.
Chapter 2. Controlled Substances.
Article 10. . Controlled Substances Prescription Database.

§ 20-2-212. Controlled substances prescription database program; powers and duties of department; trust fund; committee membership and meetings.

The department is hereby authorized to establish, create, and maintain a controlled substances prescription database program. In order to carry out its responsibilities under this article, the department is hereby granted the following powers and authority:

(1) To adopt regulations, in accordance with the Alabama Administrative Procedure Act, governing the establishment and operation of a controlled substances prescription database program.

(2) To receive and to expend for the purposes stated in this article funds in the form of grants, donations, federal matching funds, interagency transfers, and appropriated funds designated for the development, implementation, operation, and maintenance of the controlled substances prescription database. The funds received pursuant to this subdivision shall be deposited in a new fund that is hereby established as a separate special revolving trust fund in the State Treasury to be known as the Alabama State Controlled Substance Database Trust Fund. No monies shall be withdrawn or expended from the fund for any purpose unless the monies have been appropriated by the Legislature and allocated pursuant to this article. Any monies appropriated shall be budgeted and allocated pursuant to the Budget Management Act in accordance with Article 4 (commencing with Section 41-4-80) of Chapter 4 of Title 41, and only in the amounts provided by the Legislature in the general appropriations act or other appropriations act.

(3) To enter into one or more contracts with the State Board of Pharmacy for the performance of designated operational functions for the controlled substances prescription database, including, but not limited to, the receipt, collection, input, and transmission of controlled substances prescription data and such other operational functions as the department may elect.

(4) To create a Controlled Substances Prescription Database Advisory Committee. The mission of the advisory committee is to consult with and advise the State Health Officer on matters related to the establishment, maintenance, and operation of the database, access to the database information, how access is to be regulated, and security of information contained in the database. The committee shall consist of one representative designated by each of the following organizations:

- a. The Medical Association of the State of Alabama.
- b. The Alabama Dental Association.
- c. The Alabama Pharmacy Association.

- d. The Alabama Veterinary Medicine Association.
- e. The State Health Officer, or his or her designee.
- f. The Alabama Hospital Association.
- g. The Executive Director of the Alabama State Board of Pharmacy.
- h. The Executive Director of the Board of Medical Examiners.
- i. The Alabama Optometric Association.
- j. One representative from each of the certifying boards established under the Alabama Uniform Controlled Substances Act.
- k. The Alabama Medicaid Agency.
- l. The Alabama Podiatry Association.
- m. The Alabama Department of Mental Health.

(5) If a member of the Controlled Substances Prescription Database Advisory Committee is unable to attend a meeting, the organization which appointed that member may designate one of its employees or agents as a proxy. A proxy may participate in all deliberations of the committee and vote on all questions considered by the advisory committee. Designations of a proxy must be in writing, must specify by name the individual who will serve as proxy, and must specify the date of the meeting at which the proxy is authorized to serve. There must be a separate written proxy designation for each meeting at which a proxy will serve.

(6) The membership of the committee shall be inclusive and reflect the racial, gender, geographic, urban/rural and economic diversity of the state. The committee shall annually report to the Legislature by the second legislative day of each regular session the extent to which the committee has complied with the diversity provisions provided for in this subdivision.

(7) Members of the Controlled Substances Prescription Database Advisory Committee may participate in a meeting by means of conference telephone, video conference, or similar communications equipment by means of which all persons participating in the meeting may hear each other at the same time. Participation by such means shall constitute presence in person at a meeting for all purposes, including the establishment of a quorum. Telephone or video conference or similar communications equipment shall also allow members of the public the opportunity to simultaneously listen to or observe the meetings.

Article 10. . Controlled Substances Prescription Database.

§ 20-2-213. Reporting requirements.

(a) Each of the entities designated in subsection (b) shall report to the department, or to an entity designated by the department, controlled substances prescription information as designated by regulation pertaining to all Class II, Class III, Class IV, and Class V controlled substances in such manner as may be prescribed by the department by regulation.

(b) The following entities or practitioners are subject to the reporting requirements of subsection (a):

(1) Licensed pharmacies, not including pharmacies of general and specialized hospitals, nursing homes, and any other healthcare facilities which provide inpatient care, so long as the controlled substance is administered and used by a patient on the premises of the facility.

(2) Mail order pharmacies or pharmacy benefit programs filling prescriptions for or dispensing controlled substances to residents of this state.

(3) Licensed physicians, dentists, podiatrists, optometrists, or veterinarians who dispense Class II, Class III, Class IV, and Class V controlled substances directly to patients, or in the case of veterinarians, for administration to animals, but excluding sample medications. For the purposes of this article, sample medications are defined as those drugs labeled as a sample, not for resale under the laws and regulations of the Federal Food and Drug Administration. Controlled substances administered to patients by injection, topical application, suppository administration, or oral administration during the course of treatment are excluded from the reporting requirement.

(c) The manner of reporting controlled substance prescription information shall be in such manner and format as designated in the regulations of the department.

(d) The following data elements shall be used in transmitting controlled substance prescription information:

(1) Name or other identifying designation of the prescribing practitioner.

(2) Date prescription was filled or medications dispensed.

(3) Name of person and full address for whom the prescription was written or to whom the medications were dispensed.

(4) National Drug Code (NDC) of controlled substance dispensed.

(5) Quantity of controlled substance dispensed.

(6) Name or other identifying designation of dispensing pharmacy or practitioner.

(7) Other data elements consistent with standards established by the American Society for Automation in Pharmacy as may be designated by regulations adopted by the department.

(8) Method of payment and third-party payor identification of the controlled substance dispensed.

(e) In addition to any other applicable law or regulation, the failure of a licensed pharmacy or pharmacist or a licensed practitioner to comply with the requirements of this section shall constitute grounds for disciplinary action against the license of the pharmacy, pharmacist, or licensed practitioner by the appropriate licensing board or commission, and the imposition of such penalties as the licensing board or commission may prescribe. The department shall report to the appropriate licensing board, agency, or commission the failure of a licensed pharmacist or a licensed practitioner to comply with the reporting requirements of this section. Any report made by the department to a licensing board, agency, or commission shall be deemed a formal complaint and shall be investigated and appropriate action taken thereon.

§ 20-2-214. Limited access to database permitted for certain persons or entities.

The following persons or entities shall be permitted access to the information in the controlled substances database, subject to the limitations indicated below:

(1) Authorized representatives of the certifying boards, provided, however, that access shall be limited to information concerning the licensees of the certifying board, however, authorized representatives from the Board of Medical Examiners may access the database to inquire about certified registered nurse practitioners (CRNPs), or certified nurse midwives (CNMs) that hold a Qualified Alabama Controlled Substances Registration Certificate (QACSC).

(2) A licensed practitioner approved by the department who has authority to prescribe, dispense, or administer controlled substances. The licensed practitioner's access shall be limited to information concerning himself or herself, registrants who possess a Qualified Alabama Controlled Substances Registration Certificate over whom the practitioner exercises physician supervision or with whom they have a joint practice agreement, a certified registered nurse practitioner and a certified nurse midwife with a Qualified Alabama Controlled Substances Registration Certificate over whom the practitioner exercises professional oversight and direction pursuant to an approved collaborative practice agreement, a current patient of the practitioner, and individuals seeking treatment from the practitioner. Practitioners shall have no requirement or obligation, under this article, to access or check the information in the controlled substances database prior to prescribing, dispensing, or administering medications or as part of their professional practice. However, the applicable licensing boards, in their discretion, may impose such a requirement or obligation by regulations.

(3) A licensed physician approved by the department who has authority to prescribe, dispense, or administer controlled substances may designate up to two employees who may access the database on the physician's behalf.

(4) A licensed certified registered nurse practitioner or a licensed certified nurse midwife approved by the department who is authorized to prescribe, administer, or dispense pursuant to a Qualified Alabama Controlled Substances Registration Certificate; provided, however, that such access shall be limited to information concerning a current or prospective patient of the registered nurse practitioner or certified nurse midwife.

(5) A licensed assistant to physician approved by the department who is authorized to prescribe, administer, or dispense pursuant to a Qualified Alabama Controlled Substances Registration Certificate; provided, however, that such access shall be limited to information concerning a current patient of the assistant to the physician or an individual seeking treatment from the assistant to physician.

(6) A licensed pharmacist approved by the department, provided, however, that such access is limited to information related to the patient or prescribing practitioner designated on a controlled substance prescription that a pharmacist has been asked to fill. Pharmacists shall have no requirement or obligation to access or check the information in the controlled substances database prior to dispensing or administering medications or as part of their professional practices.

(7) State and local law enforcement authorities as authorized under Section 20-2-91, and federal law enforcement authorities authorized to access prescription information upon application to the department accompanied by a declaration that probable cause exists for the use of the requested information.

(8) Employees of the department and consultants engaged by the department for operational and review purposes.

(9) The prescription drug monitoring program of any of the other states or territories of the United States, if recognized by the Alliance for Prescription Drug Monitoring Programs under procedures developed by the United States Department of Justice or the Integrated Justice Information Systems Institute or successor entity subject to or consistent with limitations for access prescribed by this chapter for the Alabama Prescription Drug Monitoring Program.

(10) Authorized representatives of the Alabama Medicaid Agency; provided, however, that access shall be limited to inquiries concerning possible misuse or abuse of controlled substances by Medicaid recipients.

(a) Beginning January 1, 2014, and continuing each year thereafter:

(1) All physicians providing pain management services shall obtain a pain management registration from the board.

(2) All physicians who otherwise meet the criteria established by the board shall obtain a pain management registration from the board.

(b) To register, a physician applicant shall submit the following to the board:

(1) A completed application on a form prescribed by the board.

(2) Proof of a current drug enforcement administration registration.

(3) Proof of an Alabama controlled substances certificate.

(4) Proof of a current registration with the Alabama Prescription Drug Monitoring Program.

(5) A list of all registrants who own, co-own, operate, or provide pain management services in the practice location.

(6) The disclosure of any controlled substances certificate or registration denial, restriction, or discipline imposed on the registrant, or any disciplinary act against the license of the registrant.

(7) Payment of the initial registration fee as set forth in this section and in the rules of the Alabama Board of Medical Examiners.

(8) A certification listing the current name of the physician who will serve as the medical director.

(9) Any other information requested by the board related to the qualifications to, or the provision of, providing pain management services.

(c) The applicant shall provide the board with a physical address for each location where he or she provides pain management services and a list of all physicians who work at the practice location, including the name of the physician who will serve as the medical director. For purposes of this subsection, if a practice location is a hospital, the physician applicant is not required to provide the names of physicians at the hospital other than the medical director.

(1) A hospice program licensed by the Alabama Department of Public Health, or any physicians while performing work for that program.

(2) A facility maintained or operated by the United States or any of its departments, offices, or agencies, or any physicians while performing work for that facility.

(e) The board shall provide individual, entity, and any categorical exemptions as, in its discretion, it deems appropriate.

(f) Any physician who is not included in subdivisions (1) and (2) of subsection (d) may petition the board for an exemption from the requirements of this section for working at a particular entity. The board shall have the sole discretion in determining whether the requested exemption shall be granted or denied.

(g) Fees.

(1) An initial registration fee is provided in an amount set by the board in its rules not to exceed three hundred dollars (\$300).

(2) Renewal fee. A renewal fee is provided in an amount set by the board in its rules not to exceed three hundred dollars (\$300).

(h) Miscellaneous.

(1) An applicant practicing in more than one location shall submit a separate registration fee for each practice.

(2) If an applicant does not complete the initial application process within 90 days of his or her first submission to the board, then the application shall be closed, the application fee shall not be refunded, and the applicant shall be required to reapply for registration.

(3) An application which is submitted to the board may be withdrawn at any time prior to the granting or denial of registration; provided, however, that the application fee shall not be refunded.

(i) Renewal.

(1) A registration by a physician under this article shall expire on December 31 of each year.

(2) A registrant may renew a current registration prior to its expiration date by submitting the following to the board:

a. A renewal application form prescribed by the board.

- b. The required renewal fee.
- c. A certification that each location at which the applicant provides pain management service has a medical director.
- d. If the practice location is not a hospital, an attestation that the practice location is not owned wholly or partly by a person who has been convicted of or pled nolo contendere to any of the following:
 - 1. A felony.
 - 2. An offense that constitutes a misdemeanor, the facts of which relate to the distribution or illegal prescription of any controlled substance.
- e. Any applicant who has been convicted of a crime described in paragraph d. may request an interview before the board, after which the board may approve or deny the registration.
- f. Any other information requested by the board.

Chapter 540-X-19. Pain Management Services

540-X-19-.03. Pain Management Registration Required.

(1) Beginning January 1, 2014, and continuing every year thereafter, all physicians who provide pain management services must obtain a pain management registration from the Board.

(2) All physicians who otherwise meet the criteria established by the Board shall obtain a pain management registration from the Board.

(3) To obtain a pain management registration, a physician applicant shall submit the following to the Board:

(a) A completed application on a form prescribed by the Board.

(b) Proof of a current Drug Enforcement Administration (DEA) registration.

(c) Proof of an Alabama Controlled Substance Certificate (ACSC).

(d) Proof of a current registration with the Alabama Prescription Drug Monitoring Program (PDMP).

(e) The results of a criminal background check.

1. Each applicant shall submit to a criminal history background check by providing fingerprints and executing a criminal history information release using forms provided by the Board.

2. Fingerprints provided by each applicant shall be submitted to the Alabama Bureau of Investigation (ABI), which is responsible for forwarding the fingerprints to the Federal Bureau of Investigation (FBI) for a national criminal history record check.

3. The Board shall keep information received pursuant to this section confidential, except that such information received and relied upon in denying the registration of a physician to provide pain management services in this state may be disclosed as may be necessary to support the denial.

(f) A list of all registrants who own, co-own, operate or provide pain management services in the physician applicant's practice location.

(g) The disclosure of any controlled substances certificate or registration denial, restriction or discipline imposed on the registrant, or any disciplinary act against any medical license of the registrant.

(h) Payment of the initial registration fee as set forth below in these rules under paragraph (6).

- (i) A certification listing the current name of the physician who serves as the medical director.
- (j) Any other information requested by the Board related to the qualifications for providing pain management services.

(4) The physician applicant shall provide the Board with a physical address for each location where he or she provides pain management services and a list of all physicians who work at the practice location, including the name of the physician who will serve as the medical director. If the applicant's practice location is a hospital, the applicant is not required to provide the names of physicians at the hospital other than the name of the medical director.

(5) Exemptions. The provisions of this rule shall not apply to any of the following:

(a) A hospice program as defined by and licensed by the Alabama Department of Public Health, or any physician while performing work or providing pain management services for that program.

(b) A facility maintained or operated by the United States or any of its departments, offices or agencies, or any physicians while performing work for that facility.

(c) In addition, the Board shall provide individual, entity and any categorical exemptions as, in its discretion, it deems appropriate.

(d) Any physician who is not included in subparagraphs (a) and (b) above may petition the Board for an exemption from the requirements of this rule for working at a particular entity. The Board shall have the sole discretion in determining whether the requested exemption shall be granted or denied.

(6) Fees.

(a) Initial Application Fee. All applicants for pain management registration shall submit an initial application fee in the amount of One Hundred Dollars (\$100.00).

(b) Criminal history background check fee. All applicants for pain management registration shall pay a criminal history background check fee which shall include the following:

1. That fee stated in the agreement between the Board and the Alabama Bureau of Investigation which is in effect at the time the application for a certificate of qualification is filed with the Board; and

2. A fee for administrative costs to be set and adopted by the Board and to continue on an annual basis until modified by action of the Board, to include costs for necessary contract services.

(c) Renewal Fee. All applicants for renewal of their pain management registration shall submit a renewal fee in the amount of One Hundred Dollars (\$100.00).

(7) Miscellaneous.

(a) An applicant practicing in more than one location shall submit a separate registration fee for each location.

(b) If an applicant does not complete the initial application process within 90 days of his or her first submission to the Board, the application shall be closed, the application fee shall not be refunded, and the applicant shall be required to reapply for registration.

(c) An application which is submitted to the Board may be withdrawn at any time prior to the granting or denial of registration; however that application fee shall not be refunded.

(8) Renewal.

(a) A registration by a physician under this rule shall expire on December 31 of each year.

(b) A registrant may renew a current registration prior to its expiration date by submitting the following to the Board:

1. A completed renewal application form prescribed by the Board,

2. The required renewal fee,

3. A certification that each location at which the applicant provides pain management services has a medical director,

4. If the practice location is not a hospital, an attestation that the practice location is not owned wholly or partly by a person who has been convicted of or pled nolo contendere to any of the following:

(i) A felony.

(ii) An offense that constitutes a misdemeanor, the facts of which relate to the distribution or illegal prescribing of any controlled substance.

(iii) Any applicant who has been convicted of a crime described in paragraph 4 may request an interview before the Board, after which the Board, in its discretion, may approve or deny the registration.

5. Any other information requested by the Board.
