

States with Statutory Authority to Require Nonresident Pharmacies to Report to State PMP

This project was supported by Grant No. G1299ONDCP03A, awarded by the Office of National Drug Control Policy. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the Office of National Drug Control Policy or the United States Government.

States with Statutory Authority to Require Nonresident Pharmacies to Report to State PMP*

* This map reflects those states with statutory authority to require nonresident pharmacies to report and does not reflect those states with such authority who are not actively collecting such data.

¹ Massachusetts requires nonresident pharmacies to report to the state PMP, but does not require them to register or be licensed by the state.
