¹Exempts packages containing no more than 60 milligrams of pseudoephedrine.

²Must also record the issuing agency or government of issuance.

³ Also allows a unique number relating the transaction to a paper signature to be used. In Iowa, a transaction number can only be used if the electronic logbook is not available.

⁴Applies to pseudoephedrine only.

⁵ Including zip code

⁶ Convenience packages are exempted from the record keeping requirements. In Illinois, a convenience package is defined as any package that contains 360 milligrams or less of ephedrine or pseudoephedrine, their salts or optical isomers, or salts of optical isomers in liquid or liquid-filled capsule form. In Indiana, a convenience package is defined as a package that contains a drug having as an active ingredient not more than 60 milligrams of ephedrine or pseudoephedrine, or both.

⁷Exempts any product that contains no more than 360 milligrams of pseudoephedrine if it is in liquid, liquid capsule, or liquid-filled gel capsule form.

⁸ Transaction numbers are only required for hard copy records, required for a pharmacy that is not able to obtain an electronic signature.

⁹ Logbook is optional for pharmacies selling products containing E/P.

¹⁰ Exempts pediatric products labeled pursuant to federal regulation primarily intended for administration to children under 12 years of age according to label instructions.

¹¹Products that are manufactured in a manner that prevents them from being used to manufacture methamphetamine may be exempted by rule. For Hawaii, this only applies to pseudoephedrine products. Wisconsin exempts products that “cannot be readily used in the manufacture of methamphetamine.”

¹²Exempts products in gel capsule or liquid form.

¹³ Exempts compounds, mixtures, or preparations in powder form where pseudoephedrine constitutes less than one percent of its total weight and is not its sole active ingredient.

¹⁴ Missouri also requires a transaction number assigned by the database provider/vendor to be provided.

¹⁵ Must also include: product Universal Product Code (UPC); Product National Drug Code (NDC) (optional); a Unique product description; and the form of pseudoephedrine (tablet, capsule; liquid-filled gelcap; or liquid).

¹⁶ Must also include pharmacy identification information, including: National Council for Prescription Drug Programs identification number; or National Association of Boards of Pharmacy identification number; or Vendor assigned site and/or pharmacy identifier.

¹⁷Exempts products containing ephedrine or pseudoephedrine that are in liquid, liquid capsule, or gel capsule form if the ephedrine or pseudoephedrine is not the only active ingredient. In Michigan, this exemption only applies to products containing pseudoephedrine.

¹⁸ Only applies to a certified retail establishment. Pharmacies are not required to record this information.

¹⁹ Certified retail establishments must also record the cumulative grams purchased by an individual during any 30 day period.

²⁰ Products that are found not to be used in the manufacture of methamphetamine may be exempted by rule. For Hawaii, this only applies to pseudoephedrine products. Kentucky exempts products “not subject to abuse”.

²¹ Records for Schedule V pseudoephedrine products must also report pharmacy identification, and the form of pseudoephedrine, if it is in liquid or gel-caps.

²²Must also record state of residence.

²³ Exempts dietary supplements, herbs, or other natural products, including concentrates or extracts, which: are not otherwise prohibited by law; and may contain naturally occurring ephedrine, ephedrine alkaloids, or pseudoephedrine, or their salts, isomers, or salts of isomers, or a combination of these substances, that: (i) are contained in a matrix of organic material; and (ii) do not exceed 15% of the total weight of the natural product.

²⁴Exempts sales of products by a traditional Chinese herbal practitioner to a patient.

²⁵ Exempts transactions when the details of the transaction are recorded in a pharmacy profile individually identified with the recipient and maintained by a licensed pharmacy.
