States with Authority to Require Veterinarians to Report to State PMP¹

¹This map reflects those states with statutory authority to require veterinarians to report to the PMP and does not necessarily reflect those states with such authority who are actively collecting such data. ²As of September 1, 2016, veterinarians in Alabama will no longer be required to report to the PMP. ³The Nebraska provision goes into effect on January 1, 2018. Veterinarians must only report any Schedule II – IV substances dispensed.
