

Use of Marijuana for Medicinal Purposes: Map of State Laws

Research Current Through January 10, 2017.

This project was supported by Grant No. G15599ONDCP03A, awarded by the Office of National Drug Control Policy. Points of view or opinions in this document are those of the author and do not necessarily represent the official position or policies of the Office of National Drug Control Policy or the United States of Government.

© 2017 Research is current as of January 10, 2017. In order to ensure that the information contained herein is as current as possible, research is conducted using both nationwide legal database software and individual state legislative websites. Please contact Jon Woodruff at (703) 836-6100, ext. 100 or jwoodruff@namsdl.org with any additional updates or information that may be relevant to this document. Headquarters Office: THE NATIONAL ALLIANCE FOR MODEL STATE DRUG LAWS (NAMSDL), 100 ½ East Main Street, Suite C, Manchester, IA 52057.

Use of Marijuana for Medicinal Purposes

¹ Programs allowing the medicinal use of marijuana are not operational in the following seven states, with original effective dates of laws in parenthesis: Arkansas (Nov. 2016), Florida (Jan. 2017), Louisiana (June 2015), Maryland (June 2014), North Dakota (Dec. 2016), Ohio (Sept. 2016), and Pennsylvania (May 2016).

² In June 2014, Florida established a program to allow certain patients to use low-THC products.
