# State/Local Jurisdictions Legally Authorized to Share Their PMP Data with Other State/Local Jurisdictions or Users Located in other State/Local Jurisdictions (47 States, D.C., and St. Louis County, Missouri)

-  Oregon allows prescribers in Washington State, California, Idaho and Nevada to access Oregon PMP Data.
-  St. Louis County, Missouri Narcotics Control Act allows the PMP network to share data with users in other jurisdictions.
-  Florida is able to receive PMP data from other jurisdictions and provide that data to authorized users in Florida.
